

URI Bookstore Fall 2008 Textbook Box & Carry Registration Form

Program Outline:

- É We download your course schedule on August 15th and put all your required books in a box. (We do not pull recommended books or required books for continuation courses unless instructed to.)
- É Your books will be billed to a temporary credit account good through the end of September, against which can charge, return or exchange books. Please bring your receipts for returns and exchanges.
- É We download your housing assignment on August 16th and send a postcard home to you with a pick up slip. You claim your box.

If you live in a URI Residence Hall and will move in before classes start, we deliver your books for pickup there.
If you live elsewhere, on or off campus, we hold your box for pick up at the URI Bookstore.

- É Bills will be mailed to your home address or alternate billing address at the end of September and payment will be due to the URI Bookstore by October. This bill is payable separately from other URI bills.
- É The \$20 service fee will be offset by special Bookstore offers found in your box.
- É Your account must be paid in full by the due date to qualify for a Box & Carry account the following semester.
- É You can check your online record at any time after that.

Make changes to, or confirm your registration information at www.uri.edu/bookstore or e-Mail bookstore@etal.uri.edu with questions or changes.

If you do not want to register on-line, please complete, clip and return the form below to:
URI Bookstore, PO Box 1460, Kingston, RI 02881
